

Fraction Action..... 2 Players

How to Win The first player to fill a game board with pizza pie pieces is the winner.

How to Play

- 1** Players place pie-shaped pieces in the paper bag, then decide who will go first.
- 2** Players take turns rolling the number cube to determine how many pieces to pull from the bag (without looking) and place on their pizza-pie-pan game boards.
- 3** During a player's turn, a player may rearrange pizza pieces to better fill his or her pie pans. *For example*, if a player pulls a half pie piece from the bag and cannot fit it on any pie pan, she or he can try moving smaller pieces to another pie pan to free some space. If the new piece is too big to fit anywhere, it gets returned to the bag, and it's the next player's turn.
- 4** The first player to exactly fill the four pizza pie pans on his or her game board with pie pieces is the winner.
