

Spider Trap

2 or more players

How to Win The player who has the most chips at the end of the game is the winner

How to Play

- 1** Cover the circles on the game board with 32 chips, leaving the center circle empty. Players decide who will go first.
- 2** Players take turns jumping over chips into empty spaces. When a player jumps over a chip, the chip is removed from the board and becomes the property of the player who jumped it.
- 3** Players may jump only one chip at a time; however, he or she may make multiple jumps provided that there is an empty space between chips and it follows the lines on the board.
- 4** Play ends when no more jumps are possible; the winner is the player with the most chips.
